

## Part-time Facility Maintenance Hours

New Milford Public Library seeks a highly motivated and enthusiastic individual with a background in building maintenance. Duties are varied and include maintaining the buildings and grounds of the library not generally covered by Public Works or Parks and Recreation, as well as other duties as assigned. Major duties include monitoring and maintaining the HVAC systems; maintaining the lighting, inside and out; troubleshooting plumbing problems; and keeping the Director informed about problems requiring outside assistance. The ideal candidate will have some carpentry skills, electrical and plumbing knowledge, the ability to lift and carry 50 lbs., on and off site. Flexibility in the work schedule is mandatory, but the hours are generally M-F 9-11 am, with occasional weekend hours as required. Some high school required. \$18.00/hour.
