**GENERAL SPECIFICATIONS:**

1. **SCRAP METAL**

Bidders should respond with their per ton FIXED FEE to be subtracted from the going market price for Scrap Metal based upon the American Metal Market (AMM) (export yard buying prices) for No. 2 Bundles – Philly Market. The fixed fee price submitted shall reflect any and all costs and/or fees for the vendor to supply containers, weigh the full load, haul the containers, and any other administrative costs/fees needed to fulfill these contract requirements. The vendor must immediately upon pickup of a container weigh the truck at the mutually agreed upon certified scale location.

The awarded vendor will then PAY the Town the difference between the AMM price on the day of pick-up minus the per ton fixed fee submitted, multiplied by the actual tonnage of scrap metal picked up from the Recycling Center. Payment shall be made on a monthly basis via check made payable to “Town of New Milford” and will be accompanied by a statement showing, at a minimum, the actual pickup date, the truck weight (empty), the truck weight (full), the gross scrap metal tons (rounded to 2 decimal places), the AMM price on the day of pickup, the vendors fee, and the net payment to the Town of New Milford. The statement must be accompanied by the AMM price sheet and the weight ticket from the certified scale.
The awarded vendor must supply the Town with the AMM price sheet for each day that a collection is made. The Vendor also agrees to supply the Town with a container in good condition. These containers must be maintained in good condition throughout the contract period and will be switched upon demand with no additional charge for trucking and/or dumpsters.

a) Batteries that are picked up by the vendor at the Center
b) Batteries that are delivered to your location

ADMINISTRATIVE REQUIREMENTS:

1. Bids prices shall remain in effect for sixty (60) days.
2. Liability insurance to be included with bid according to Town requirements. Failure to do so will result in forfeit of bid.

4. Bidders must also submit, in writing at the time of bid, their proposed scale location(s) to be used throughout the contract period.

A. Contract Time Limit
The contract will run for one (1) full year from the date of award. The Town reserves the right to extend the contract for up to one year, upon mutual written agreement. The Town further reserves the right to cancel the contract after giving a 60 day written notice to do so.

B. Award and/or Rejection of Bids

Contract will be awarded to the responsible Bidder submitting a valid and complete response to this bid request and complying with the conditions of these specifications that will net the Town of New Milford the highest possible value for these commodities. Bidder to whom the award is made will be notified at the earliest possible date.

The Owner, therefore, reserves the right to reject any and all Bids and to waive any informality in Bids received whenever such rejection or waiver is in its interest. Additionally, the right is reserved to reject any Bid where an investigation of the available evidence or information does not satisfy the Owner that the Bidder is qualified to properly carry out the terms of the Contract.
