

# TOWN OF NEW MILFORD

Town Hall  
10 Main Street  
New Milford, Connecticut 06776  
860-355-6035

Office of the Health Department

## **Notice to consumers and patrons of nail, massage and beauty salons:**

For your own protection please look or ask for valid CT licenses for the following services:

**Hair styling, cutting, coloring:** Valid / current CT Hairdressing license

**Massage:** Valid / current CT Massage Therapist license

**Manicure & Pedicure:** No CT license at this time; but should have Esthetician certification from reputable institution of study

**Microblading & permanent makeup of any kind:** Valid / current CT Tattoo license

### **Please note:**

- Massage of ANY kind requires a valid CT license. This applies to chair massage and any type of massage that is performed in conjunction with other services such as manicure or pedicure.
- Microblading is an extremely dangerous procedure that involves piercing the skin and applying ink to broken skin surfaces, similar to the tattoo process. It is because of this that a tattoo license is required in order to legally perform microblading.
- The application of permanent makeup or the “covering” of existing tattoos also requires a valid CT tattoo license.

**Any shop that is found to be performing any of these services without the requisite licenses is BREAKING THE LAW and should be promptly reported to the New Milford Health Department.**

**Michael A. Crespan**  
**Director of Health**
