

SPOTTING INVASIVE PLANTS ON OUR ROADSIDES #3

New Milford CT, 3/26/2021

SURPRISE!

The first shrubs with new green leaves are almost all invasives.

**Who will win
the race this spring?**

⇐ Barberry?

Burning Bush? ⇒

⇐ Multiflora Rose?

Honeysuckle? ⇒

*Send dates and locations
of early spring green to
knelson151@sbcglobal.net*

More to follow in upcoming "Spotting Invasive Plants"
