

Section 085-020 Use Classifications

Subject to site plan approval, the following municipal/regional uses of land, in addition to the uses of land permitted by right or by special permit in the underlying zone, are permitted in the government service zone upon the acquisition of a special permit from the Commission:

1. Public Works Yard; parking, storage and repair of all public works vehicles.
2. Operation of heavy equipment.
3. Storage of sand, gravel, salt and construction materials.
4. Recycle activities.
5. Storage of tires and white goods.
6. Sign shop.
7. Ambulance building and storage.
8. Service trailers.
9. Leaf pile (storage and composting).
10. Any public services activity necessary to respond to an emergency.
11. Municipal solid waste transfer station.
12. Bulky waste transfer station.

(Amended Effective: June 22, 1989; October 5, 1992; April 15, 1994)
