

Section 130-010 Purpose

The following standards are intended to enhance the appearance and natural beauty of the town and to protect property values through preservation of existing vegetation and planting of new screening and landscaping material. Specifically, these standards are intended to reduce excessive heat, glare and accumulation of dust, to provide shade and privacy from noise and visual intrusion and to prevent the erosion of the soil, excessive runoff of storm water, and the depletion of the groundwater table and the pollution of water bodies, watercourses, wetlands and aquifers.
